The Council for Tobacco Research U.S.A., Inc.

900 Third Avenue, New York, N.Y. 10022

Dear Sir:
I happened to read your book "Report of the Council for Tobacco Research-U.S.A., Inc.(1989)".

If possible, I would like to apply for your research grants involving cancer-related studies, since I have been working on one of cancer-causing genes.

Is it possible for you to send me information of how to apply for your grants?

Thank you.

Best regards.

Truly yours,

Akio Tanaka

Akio Tanaka, Ph. D.
